TO WHOM IT MAY CONCERN:

I offer my strongest recommendation and reference for the printing work of David and Lisa Carter, owners of Associated Printing, located at 124 McArthur Ct., Nicholasville, KY 885-2232. For the past two years they have printed the Henry Clay Football programs, which have received glowing compliments. Because of the Carters' efforts and skills, we have what I believe to be a program that rivals those of many colleges and professional teams. The high quality of their product has contributed greatly to the phenomenal success we have recently experienced not only with sales of the programs, but also with advertisements and sponsorships, a couple of our largest fund raising sources. If you have not already been provided a program as a sample of their work, I will gladly do so.

I cannot thank the Carters enough for their outstanding support, skills and product, which have been key to the success of our program for the last two years. If you have any questions, please feel free to call me at the number below.

Sincerely,

Dan Murner  
President  
Henry Clay Football Boosters
