### **TO ALL HIGH SCHOOL CONSTITUENTS:**

Sports programs are a great way to promote your team and raise money for your boosters. Associated Printing is now producing school program books for sports, school clubs, or any activity within your school. We work with coaches, boosters, parents or individuals who organize the program.

Enclosed is a sample Henry Clay High School football program for the 2006 season. It has a color cover with 64 pages of black ink on white paper inside. Henry Clay sold ads on the cover and inside pages to cover the cost of the programs and sold the programs at the games for \$5.00 each.

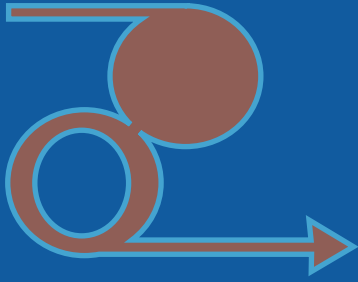

Associated Printing can handle all artwork and printing, making the production of the programs easy for the customer. We accept camera ready artwork for printing, or we can accept your files electronically. We can also create your program for you if your time is limited.

Associated Printing has been in business in the Lexington area since 1965 and is a well established family owned company. We are here to answer any of your questions and help you produce a quality program and raise money at the same time.

Enclosed is a price list with some of the options available. Please call Tomi or David and we will discuss any and all options that will fit your program needs.

Thank you for your consideration.
